

JumpSeat for Adobe Experience Manager

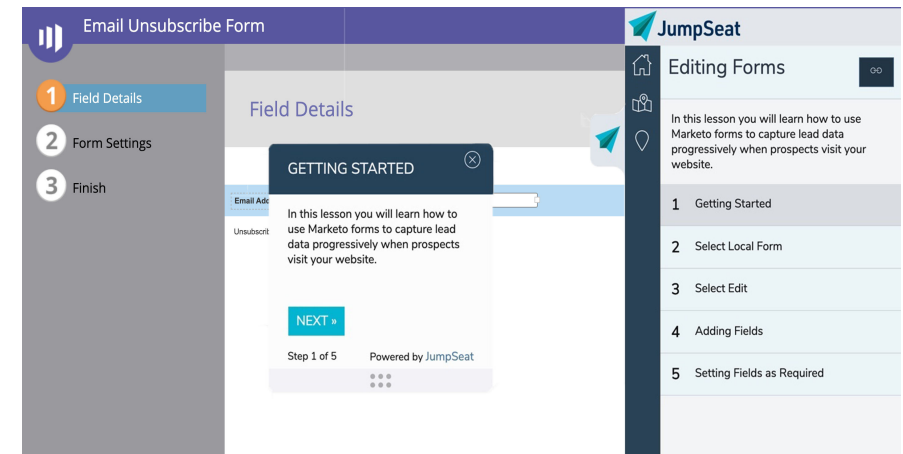

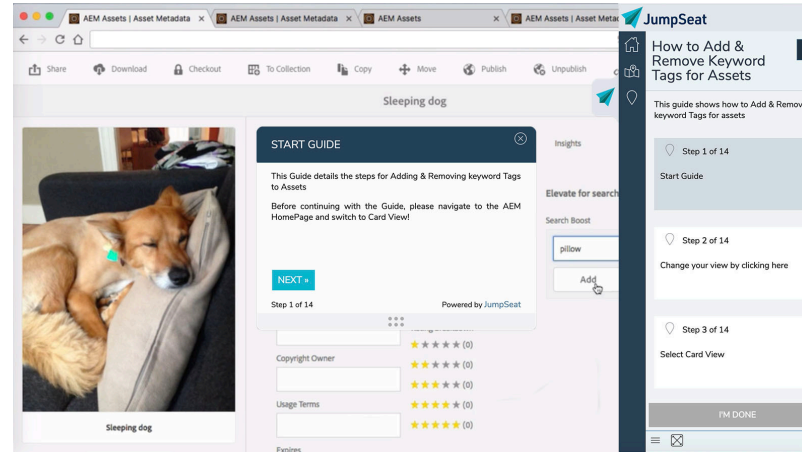

JumpSeat | Adobe Experience Manager

THE SKY IS THE LIMIT WITH JUMPSEAT'S 30+ GUIDES

JumpSeat will provide guidance on interacting with your Adobe products, e.g., learn how to create cross engagement with Adobe Marketo, create a campaign with Adobe Campaign Manager or reshape how your team reviews data in Adobe analytics.

No matter your marketing role, JumpSeat propels you forward and takes training out of the classroom and puts it right into the application.

JumpSeat is real-time training that removes creative frustration, creates satisfaction, and builds connectivity across interrelated applications.
